

Instructions and Sign-Up Form for the Mariners Church monthly Estado 29 Trip

For additional trip information, click: estado29.org/mariners

- Your check and forms must be postmarked by Thursday nine days before the trip or hand-delivered to Mariners Church GO Office by Friday eight days before the trip.
- **Non-refundable, non-transferable.** If you don't go on a trip you've signed up for, the full amount of your signup fee will go that month to Estado 29 for orphanage support.
- After paying for your portion of the weekend's expenses the remainder of your payment goes to support the entire operation of the orphanage for that weekend. Additional donations over the \$70/\$80 are encouraged. These funds will purchase additional supplies to be left for the monthly operation of the orphanage.
- Participation in the van-pool greatly reduces our transportation costs and saves the maximum amount of money for Estado 29. The van ride is also a great get-acquainted time for everyone.

- This form is for use by individuals and couples and immediate family.... If you'd like to bring a **group** (four or more) please contact Steve Raynesford early to make special arrangements.
- Space is limited to about 20 people and assigned on a "first-paid-first-served" basis. If full, the trip may close before the sign-up deadline. Trip planning is based on the forms and payments received before the deadline. We set a limit on the number of people and do reserve the right of refusal.

- Due to concerns of both US and Mexican Customs, all minors should have both parents attending or have written permission for travel in Mexico from all non-attending parents. In addition, please complete the attached two-page Mariners' Minor Release Form if you are a minor or planning to bring your minor children. The signed form needs to be with the minor on the trip. Contact Steve Raynesford for details. If the minor will be travelling without one or both parents, an additional permission letter is required by the Mexican government; contact Steve for information.
- A Passport -or- a driver's license plus government issued birth certificate are required on Estado 29 trips. The US government requires this for entry on our return trip.

- Mariners Church takes a team-based approach to Estado 29 trips. ☺
- These monthly trips are part of the overall ministry to Estado 29... ask about the Mariners' Sponsorship program!

Please contact Steve at steve@raynesford.com, 949-466-5475 for additional questions.

¡¡¡ Muchas Gracias !!!
